

## Success

- Stories
- Organization
- drop down menu

## Failures

- Picture ~~and~~ in picture
- No search bar for specific info

## ideas

- ~~A~~ tutorial when app is updated
- tutorial whenever watch page is opened
- PIP icon blink for short time
- PIP icon bigger
- PIP icon in bottom right where it would open up to any new
- add search bar on home page
- add search bar on menu page
- add a discover page
