

# Bea

Bea is an intimate, brick-walled eatery & bar with handcrafted cocktails, eclectic small plates & a courtyard, right in the heart of Chelsea

Bea is that increasingly rare place in New York City, where you are actually encouraged to enjoy the art of conversation. It's a bar and restaurant where people have enough space and elbow room to relax and get comfortable, to meet new people or to catch up with old friends. It's a place to have a good time while drinking top-of-the-line handcrafted cocktails and eating and sha
