1 Samuel 16:13

Then Samuel took the horn of oil, and anointed him in the midst of his brethren: and the Spirit of the Lord came upon David from that day forward. So Samuel rose up, and went to Rama.

### ♣ Words of GOD ♣

#### Acts 27:23–25

*23 Last night an angel of the God whose I am and whom I serve stood beside me*

*24 and said, ‘Do not be afraid, Paul. You must stand trial before Caesar; and God has graciously given you the lives of all who sail with you.’*

*25 So keep up your courage, men, for I have faith in God that it will happen just as he told me.*

May today’s worship be the best blessing.

God will bless you as much as you confess with your lips. Let us welcome the person next to you. We welcome you. God bless you

For the past 2 months, I received the answer of missions training and healing center. I think our thoughts and God’s thoughts are very different. Initially, I was just leaving to train the Pakistani pastors and attend the World Missions Conference. However,

there are two biggest answers in 2018. Just as written on the banner, it is the answer of Specialized Healing Concentration School. Before receiving those answers, shouldn’t I understand what this answer is about? America and the world are physically ill. But physical illness is not a problem. As soon as you understand the Word of God, you can go into the absolute blessing.

If you have issues in your life and family, I urge you to change your thoughts into Words. The place that allows you to understand this even deeper is the Specialized Healing Concentration School. God called us as the healing summit who will heal the summit in America. So, for one month, I attended the missions conference and for one month, I stayed at the specialized healing center concentrating only on the Word and prayer. What’s astonishing is that God’s Word is really living and active working upon you. May the Lord’s Words be fulfilled in your soul, body, and family in the name of our Lord Jesus.

### ♣ Introduction

**1. Greatest Blessing** – Those who are Within the Fulfillment of God’s Words  
What is the greatest happiness in our

lives? Would you like to receive a ton of financial blessing? What is the greatest answer? You have to receive the answer God desires. God is the spirit. He has created you as a spiritual being in the image of God. As our elder prayed for us, we do not live by bread alone. God designed us to live by eating His Words. God created us as spiritual being through the Word. Therefore, the Word has to come into you in order for your soul and spirit to revive. When God blessed us, he allowed us to conquer and rule over everything. Therefore, spiritual life is easy. You have to receive the Word of God and obey to His Words. That is why God gave us the covenant of the Word we could enjoy and embrace throughout our lives.

In Genesis 2:17, God gave Adam and Eve the covenant of the tree of knowledge and evil in the Eden garden. God said, "but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die." What is the key point of the Tree of Knowledge and Evil? It is the covenantal promise between man and God. Man are spiritual beings. As such, we must absolutely live by eating the Words. That Tree of Knowledge and Evil given to man is the Covenant and the blessing.

We cannot ever live our lives while leaving the presence of God's Words.

However, the mankind listened to the Satan's words, discarding God's Words. As a result, problems came to this earth. God loves man and that is why He heals you through the Word. God sent the Christ to resolve the sin problem. God so loved the man, He healed the mankind with the Word. To resolve the sin of separations, God sent the Christ.

What is sin? It is John 16:9 "of sin, because they do not believe in Me." We have to believe in God, but we did not believe in God. Jesus says that this is a sin. Losing hold of the Word and living according to my own thoughts is sin itself. That is why disasters and storms come. There is only one reason. The reason is you did not hold onto God's Words. In order for God to resolve our original sin and disbelief, God sent us the Christ breaking down the authority of the Satan.

Rom 5:8, "But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us."

As God promised us with His words, He sent us the Christ. Christ resolved all Satan's sin, death, and curse problems. As an evidence to the Christ crushing the head of the serpent, He resurrected. As a result, whoever believes in Jesus can become a child of God and receive salvation. As long as you believe through His grace, you will receive

salvation.

Now you who believe, do this one thing well. Live by eating God's Words. May you make the most important resolution through the Word written in Acts 27. I bless you to come to a resolution in which you can receive eternal grace. It may be a small resolution in front of God, but as soon as you make that declaration, our lives will change. Even now, all our problems are being changed through the Word of God. As such, the greatest happiness is experiencing God's words being fulfilled in your life. That is the greatest happiness.

## 2. Major Question

### 1) Why does storms come?

If you look at Acts 27, Paul and the ones who were sailing with him encounters a huge storm. The storm mentioned here is like tsunami in which no men can resolve on his own. This exists to individuals and families. May you earnestly ask God. Why does the storm come to you unceasingly? How come the problems that come upon me do not get resolved? If you ask this in front of God, He will give you the answer. I pray that you do not perceive problem as problem.

### 2) When does this get resolved?

If you can view this problem through

the lens of the Gospel words, the problem is a blessing. Do you have illnesses? In our church bulletin, we have a lot of sick church members. So, I'm praying for them. However, asking God to make your illness go away is not a prayer. Discovering God's absolute plan through your illnesses and problems is the way to the blessings.

### 3) How does this get resolved?

The moment you discover God's plan, illnesses and storms will cease. The reason God gave you the problem is for you to opportunity to receive the blessings.

When I was at the Intensive Healing Center, I lived and worshiped together with about 30 members who had cancer, mental illness, greatest problems. Mental disorders are rising every year all around the world, especially in America. The hospitals diagnosed them as impossible. Even at the churches they went to, the counselors told them that the word of God cannot resolve their problems. At the healing center, there was this girl with mental disorder who used to study at a prestigious university in America ever since she was in high-school. She got this mental problem when she was attending one of the elite high schools. Her father is one of the executives from a conglomerate organization. She got this mental problem when she studied

abroad. She did everything she could to fix her problems going to the best hospitals in the country. This problem can never be resolved that way. Astonishing thing is, God's Words can heal her

For one month, I saw this girl who used to act up get healed. I saw this person who had an addiction problem come back to normal and becoming a dedicated disciple. Just by listening to God's Words, have forum, and give worship, that Word healed the person. May this be the time of solution for your storms and problems.

### ♠ Main

#### 1. Big storm - Hopeless people

Why does this storm come? This ship that Paul was traveling on met the storm and hopes of salvation were cut off. Paul faced the hurricane on his way to meet Roman Emperor Caesar. Looking at today's words, all the hopes and chances of salvation seemed to have disappeared. It became a state in which no men can resolve.

Why do you think these storms come? Why do these impossible problems come to your family? You must find answer through the Word. The moment you realize this, everything will be resolved. There is only one problem.

#### 1) Humanism

Let's look at the scripture Acts 27:11 together.

“the centurion was more persuaded by the helmsman and the owner of the ship than by the things spoken by Paul.”

This is the reason why they faced disaster. The name of the ship Paul took was “Alexander” Paul urged the sailors not to go as we will meet storms. The centurion and the prisoner guard did not listen to Paul, but listened to the helmsman and the owner of the ship.

The helmsman is the ship expert. He was the greatest expert. May you remember this forever. Listening to the specialist's words rather than God's words is our disbelief. That is why storms come. Why do the 7 billion population of the earth face problem? It's one thing. They do not listen to God's words, but listen to the Satan's words.

You have to have a blessed meeting. When we face problem, we usually go counseling with the experts rather than praying and holding onto God's words. We believe their advice. When physical problem comes to you, we have to listen to the doctor. With physical issues, we have to take expert's advice into our consideration. However, there

is one thing the doctor does not know. Man are not physical beings. Man faces physical issues, but this issue started from a long ages past. Why do problems keep coming upon my family and I keep facing issues? It is because you did not listen to the word of God coming from the evangelist.

2) Public opinion - Majority's beliefs (Acts 27:12 "And because the harbor was not suitable to winter in, the majority advised to set sail from there also, if by any means they could reach Phoenix, a harbor of Crete opening toward the southwest and northwest, and winter there.")

Therefore, the people started to sail off not listening to Paul, but listening to the majority. If you look at verse 12, many said to let's go. They left listening to this word. May you be careful of the words who do not have the Gospel and who do not have faith. Following the majority faith is not the right principal. When you do the church work, you are following God's words not the popular beliefs. Devoting in the church work is done only by those who believe in the Lord. They follow the majority and face the greatest storm.

3) Absolute Impossibility - Euroclydon storm (Acts 27:14 But not long after, a tempestuous head wind arose, called Euroclydon)

When you follow the word of another man, it seems like a correct direction at first, but you are facing the greatest storm. You face the greatest impossibility in which man cannot resolve on his own. At that moment if you grab hold of God's word, things will be resolved, but we use methods of our own knowledge.

4) Human's method (Acts 27:17-19) 17 When they had taken it on board, they used cables to undergird the ship; and fearing lest they should run aground on the Syrtis Sands, they struck sail and so were driven. 18 And because we were exceedingly tempest-tossed, the next day they lightened the ship. 19 On the third day we threw the ship's tackle overboard with our own hands.)

If you look at verse 17 and 19, we humans use scientific method also. As the storm is arising, shouldn't you get rid of what is heavy and burdensome?

5) Big Storm (Acts 27:20 Now when neither sun nor stars appeared for many days, and no small tempest beat on us, all hope that we would be saved was finally given up.)

As they used scientific method and reasonable method, the bigger problem came. All you have to realize is the fundamental root of the problem.

the fundamental root of the problem. The problems you face as an individual and family are not physical problem, but spiritual problem. You cannot see through your eyes, but this is actually taking place.

Not long ago, this 7 year old child and elementary school child was playing with a toy. Then this little kindergarten child shot her sister and killed her. Just like our elder prayed, we have to pray for America. America is the 21st century Rome. Rome means that it's a nation filled with the most idols. It's the center of where Satan works. Our children are studying. Without knowing this spiritual reality, you are enrolling your child into an elite education. Then the mental problems come. What is the fundamental source? Answer is only written in the Bible.

#### 6) Fundamental Cause

a. Genesis 3:5 For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

Genesis 6:3 And the Lord said, "My Spirit shall not strive with man forever, for he is indeed flesh; yet his days shall be one hundred and twenty years."

Genesis 11:4 And they said, "Come, let us build ourselves a city, and a tower whose top is in the heavens; let us make a name for ourselves, lest we be

scattered abroad over the face of the whole earth."

b. No spiritual knowledge

c. Spiritual state John 8:44

(You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.)

How come this type of severe storms come and the word of God does not come into your ears? It is the Genesis 3 problem. You have to realize this to the point you have agony. How come the word of God does not come to you naturally? How come you receive the word, but does not impact you with grace? Let us read this together. Satan is deceiving this to the mankind. This is the word of the Satan

Genesis 3:5, "For God knows that in the day you eat of it your eyes will be opened, and you will be like God, knowing good and evil."

These are the words Satan is speaking. Even now, he is whispering to us. This is the tree of knowledge and evil. This is the tree of blessing. People can only live eating the Word of God. God said do not ever eat this fruit. Even now the Satan the devil is trying to deceive us. As our Elder prayed previously, we have to pray for the American pres-

ident. We have to pray for the two Koreas, south and north. The Satan is really controlling and wavering the politicians of the country. He can control the country through them. Then the deceptions come to the mankind.

The Satan tells you not to listen to the Word of God. He tells you, "You are the master of your own life!" Don't we all make our decision on our own, making up our own mind? For those people, I hope you change your name to something else. Your last name and your first name Jehovah. Jehovah Kang, Jehovah Smith, etc. God is our creator and we are His creation. Man can only live within the blessings, grace, and relationship. How come storm came upon my family? It is because you lived your life as if you are the master of your life

If you look at Genesis 6:3, the spirit is dead. All their thoughts and judgment are physical. They say that they are living for the glory of God, but they are striving towards a position. Storms continuously come. The spirit is dead and only your body is alive. The spiritual state is his master is not God, but the Satan. These days, the people do not want to listen about the Satan nor the spiritual reality. When you are trying to win a battle, don't you have to know who the counter party is? If there is an object trying to destroy your family, shouldn't you know who the who/ what this object is?

God said this directly to the church officers.

You have to remember this verse throughout your entire life: John8:44, "You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.

This is not something that is told to the non-believers. When Jesus came to the church known to have greatest Bible scholars, priests, and writers, the theologians did not know this one thing: spiritual truth. The only thing these Pharisees did not know was the Satan, spiritual reality, and demons. Not knowing the spiritual reality but going to church refers to religious life. Jesus visited the church and saw that these Bible scholars were possessed by the devil. Their master was not God, but the Devil. That is why the storms erupt in your life. The Satan brings disasters to our family and the business field. If this is the case, all you have to do is crumble down the Satan the devil. This Satan, the devil problem is not something we can unravel. May you follow the words of the evangelist with the Gospel instead of listening to the experts. May you realize this in the name of Jesus.

I spoke about this during the first

service. This one pastor came to the healing center. He received the Word all throughout his life. He came diagnosed with cancer from top to bottom. When he came, the only thing that came out of his mouth was "I am sick. It hurts. It hurts. It hurts" for 24 hours a day. Every single day, he said "I am in pain. I am in pain" while tapping all part of his body. But the ministering senior deaconess who was awake with the Word mimicked what him, "I am in pain. I am in pain". She questioned him how come he is not blessing himself but keep saying that he is in pain? Do you know what the response from him was? He said, "I never said I was in pain." So she responded, "you just said so." Then he said, "oh yeah just this once." So she responded, "no you said it when you were coming into the door!" He responded, "oh yeah, I guess I said it twice." Then the people around him told him, "You've been saying 'I am in pain, I am in pain, I am about to die' every single day!"

This pastor came back to his senses and said, "I have a mental illness." I have gotten mental disorder. The moment he realized this, his mental illness got healed. The cancer healed as a bonus. Cancer is not a problem. There are more cells in your body that are alive than the cells that are infected with cancer. You are losing hold of the Word of God. For any problem, I pray that you can bless yourself with the

Word of God.

## 2. The way to resolve absolute impossibility to absolute possibility

I pray that you confirm three ways to alter absolute impossibility to absolute possibility.

1) Confirm your status - Priority "whom I belong"  
(Acts27:23 Last night an angel of the God to whom I belong and whom I serve stood beside me)

Paul confessed Acts27:23. When the storms come, the first thing you have to confirm is the way the storm can cease and resolved.

Where do you belong currently? I am a child of God who belongs to God! What is my identity? When you are about to drown in the sea, confirm your status immediately. Confirm it with boldness. "I AM A CHILD OF GOD." God is with me within me. "Don't you know that you yourselves are God's temple and that God's Spirit dwells in your midst?" Even after believing in the Christ, when storm hits you, you forget everything. God called as the child of God as spiritual summits. Let us bless the person sitting next to you. "You are a child of God! You are a spiritual summit!" Before being a pastor, I am a child of God. When the storm comes to you, God can solve this very simply. Do

not panic.

### 2) Time of concentration (Acts 27:23)

— “Last night”

(Acts 27:23) Last night an angel of the God to whom I belong and whom I serve stood beside me

Secondly, when storms come, just close your mouth. Tape your mouth and fall before the Lord. The moment you close your mouth, prayer takes place. Go home, put tape over your mouth, keep reading the Word, and pray. At the Healing Center, I did this for one week. I realized how much I was saying things irrelevant to the Gospel. I was killing myself as well as the person I was conversing with. I bless you to forum just with the Words in the name of Jesus. As you start off your day, you have to have the time of concentration towards God. I woke up at 4AM before today's worship and listened to 6 messages for 2.5 hours. I was extremely happy.

### 3) Confirm Commission (Acts 27:24)

“You must stand trial before

You must confirm this. The person with the commission of Acts 27:24 never dies. You die not when you have cancer, but when you are finished with your commission.

“ Do not be afraid, Paul. You must

stand trial before Caesar; and God has graciously given you the lives of all who sail with you.”

Do not be afraid even when the storm erupts. God knows it all. “You must stand trial before Caesar and share the Gospel with that Roman Emperor” What is your commission? It is the American evangelism and world evangelism. That is why God called you to America. May you confirm your commission and identity when you are praying to God.

### 3. Resolution (v25)

Lastly, make a resolution for the three things. If you are facing a problem, come to conclusion with three things.

#### 1) Resolution with Commission (Acts 27:24)

“You must stand trial before Caesar.”  
–Heavenly mandate, calling, mission-

Gospel resolution

Paul meets Christ and commits before the Lord for his life.

Let this scripture be the answer to your fundamental problems of your entire life. Let us read together

1 Corinthians 2:2 “For I resolved to know nothing while I was with you except Jesus Christ and him crucified.”

This is the confession made by Paul after meeting the Christ. Only the Christ can resolve the storm. Christ is the one who resolved the Satan who destroyed you and your family. Christ is the only one who resolved the original sin and unbelief problem. The name that resolves death problem and hell problem is the Christ. Christ resolved everything on the cross. Christ and the cross are the Gospel. Jesus is the Christ, the solve of all problems!! Have a resolution in the Gospel. Then all the forces of darkness will flee.

Secondly, have a resolution with the commission. The ones who have the commission will never be called to Heaven until he/she is done with the commission. In the Acts27:24, it says "you must stand trial before Caesar." Our Immanuel New York church's mission is to save all 237 nations who reside in Rome.

I went to the Pakistani Theology Seminary to train the pastors and students and relaying the mission. When I was going to Pakistan, the travel visa was not being issued. Due to the political hostility between America and Pakistan, visa issuance was delayed for a month. Nevertheless, I bought the plane ticket to Pakistan. Then God allowed me to meet an evangelist I Korea. The visa was issued the next day. The inspectors even came to the Pakistani theologian center where I was

preaching to check upon me.

I heard "Do not be afraid, Paul" as "Do not be afraid, John (Pastor's name)." God protects those who have the commission until the day he is called. The pastors with the Gospel is rising up in the Muslim nation.

2) Lifelong Resolution (Acts27:25)  
"I have faith in God that it will happen just as he told me."

Lastly, have a life-time resolution. This is the most important resolution. This is the concluding word for the day. It is verse 25.

This is the conclusion of Word today. Let's read together.

"I have faith in God that it will happen just as he told me."

This is my lifelong confession. Christ's disciple is the one who follows the Word holding onto them.
