

***Ben the iLLustrator***

# *The iLLustrator*

Commercial illustrator based in Somerset, UK, with a background in animation and music

Worked with clients worldwide including but not limited to: (Wavy Wonders, The Old Vic and Girl Scouts USA)

20+ years working as a self-employed illustrator/designer from April 2005

1996 - 1999 – attended University for the Creative Arts & Surrey Institute Of Art and Design

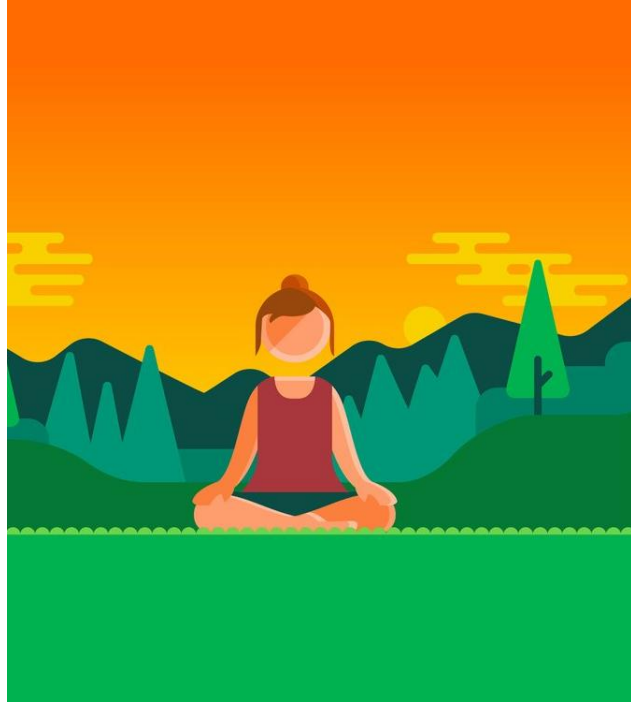

# Ben Draws

Clean, colorful vector illustrations with interest in editorial, travel, wellness and healthcare

Two artistic portfolios and case studies that showcase his work in different fields and with clients

These illustrations tell stories, spread messages on current events in society and help advertise services and products for companies

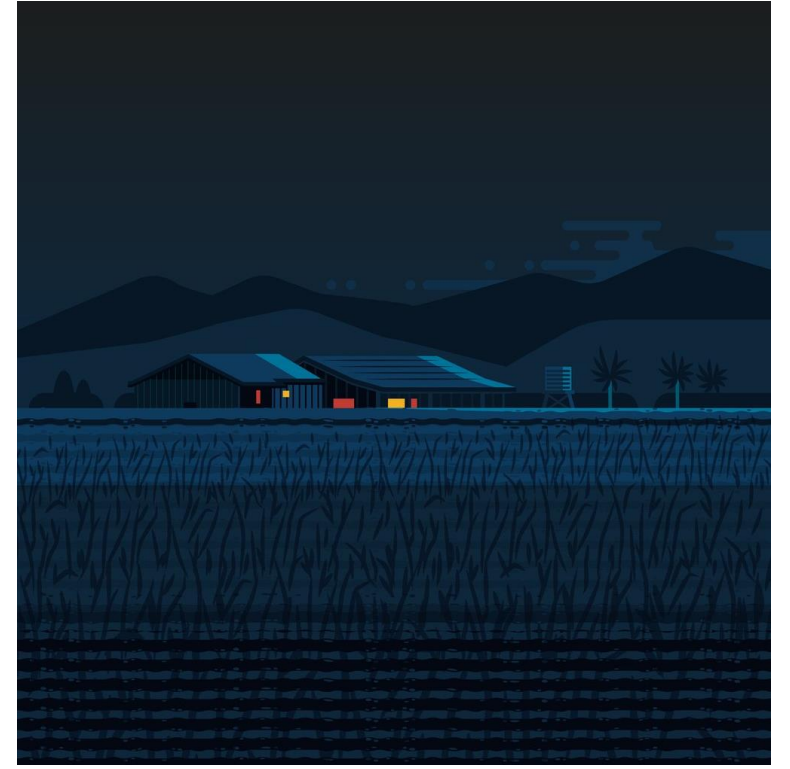

# Examples

Foodism Magazine

Surveylab

The Sleep School

***The Dark Side – the artist's collection of 'dark' illustrations with an emphasis on black***

Wednesday

Girls Who  
Grind Coffee

Night  
Travels

"WHAT DISTINGUISHES BEN'S WORK FROM COUNTLESS OTHER FLAT VECTOR GRAPHICS IS THE INTERPLAY BETWEEN HIS TRINITY OF SHAPE, COLOR AND FORM - STRAIGHT LINES AND CURVES INTERSECT AND OVERLAP TO CREATE A CLARITY AND DEPTH, ACCENTUATED BY THE ODD BRUSH SPATTER. NOTHING GETS LOST IN TRANSLATION."

~ Steven Heller and Julius Wiedemann  
: *Writing in the Taschen book 'The Illustrator'*

# Takeaways

Ben's creations have graced automobiles, ensembles, and airports. Ben's passions shines through in his work, inspiring people to appreciate their environment and explore new places. Ben's artwork is vibrant, optimistic, and focused on living a smooth, innovative, and sustainable life. Ben loves working on advertising as well as animation projects in addition to digitally mastered graphic. He has knowledge of both small start-ups and well-known international brands.
