The best part of any special occasion such as a wedding or horse racing is the hat.

According to royal protocol, women must wear hats to all official occasions. However, the royal family takes pride in preserving British traditions, and the upper class and royal women of Britain usually concealed their hair in public until the 1950s.

BEAUTIFUL TRADITION EXPERIENCE

What is unique about wearing a hat to a wedding or Ascot? This fashion accessory is needed to complete a formal look. Remember to choose a hat that complements the style of your dress and shoes. "Dressed for success: Royall Ascot is a day at the races like no other".

*Beauty is the opposite of perfection -
It's about confidence, charisma, and
the hat*
