**MOUTHWASH
BAIN DE BOUCHE**

Clove Bud • Anise • Spearmint Leaf

Clou de Girofle • Anis • Menthe Verte

Aēsop considers good manners and impeccable hygiene essential to cordial daily conduct. And so, to politely protect the olfactory contentment of your loved ones, fellow commuters or neighbouring theatre-goers, we advise a voluminous swig and gargle of Mouthwash prior to all public appearances.

Aēsop considère que les bonnes manières et une impeccable hygiène sont essentielles à une conduite cordiale au quotidien. Et c'est pourquoi nous recommandons un grand verre de bain de bouche avant toutes les sorties en public.
