

Color Haikus

**Hong Kong**

Neon lights shine bright  
Illuminating the streets  
You are not alone

**Seoul**

Green, red, blue, yellow  
Temple roofs vibrate out loud  
The sign of power

**Vermont**

Trees are preparing  
Saying goodbye to their leaves  
Yellow means farewell

**New York**

Shades of grey and black  
Toughens you up to survive
