

# GIM REAP

"It would be great to have the option to send several photos at a time."

## DEMOGRAPHICS

Location: Maine, US

Marital Status: Married

Work: Retired

Age: 77

## BIO

Gim is a 77 year old Native American retired photographer. He currently keeps busy by gardening, biking, and hiking once in a while with his wife in the Katahdin Knife Edge train, Maine.

## GOALS & PAIN POINTS

His goal is to send photos he took with his wife to their children currently living in the West Coast. Gim's biggest challenge recently has been trying to send more than one photo to his kids using facebook messenger app without the app crashing.
