<ul style="list-style-type: none"> • Very well prepared, clear outline of the course and each assignment, answered questions very quickly, feedback from assignments was sent quickly and was helpful. The video going through each week's lesson along with tips and tricks was always particularly helpful. All of the links and resources were also great. • Really enjoyed working with her. Was always available to help and didn't hesitate to provide feedback through each product. Couldn't have asked for a better instructor. • She was very attentive to her students when they needed help.
