

Art History and Modern Example:
Rachel Goff

The Last Supper done by Leonardo Da Vinci between 1495 and 1498 has been used several times throughout modern pop culture. I have listened several examples of different recreations below, as well as the original.

Original

A promo picture created ahead of the fourth (and final) series of Ronald D. Moore's storming reimagining of Battlestar Galactica.

The episode "Thank God It's Doomsday" from Season 16 of The Simpsons.

House, Season 3 Promo.
