Fonts

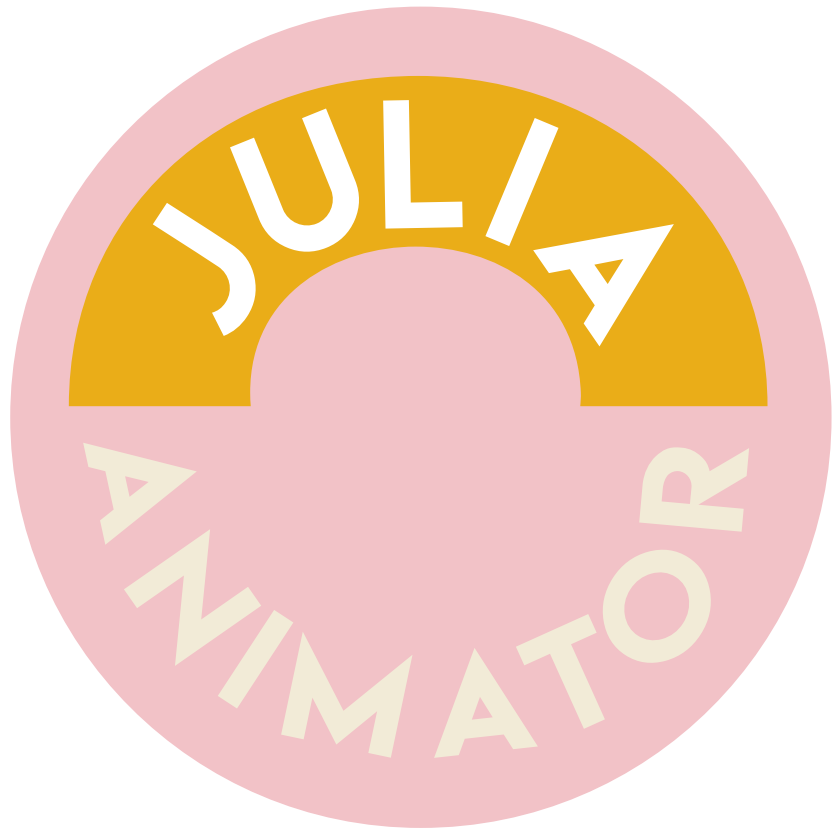

JULIA

A stylized, multi-layered representation of the word 'JULIA'. The letters are primarily green, with yellow and pink layers visible behind them, creating a sense of depth and movement. The letters are slightly offset from each other, giving the impression of a stack or a sequence of frames.

JULIA

A solid, 3D-style representation of the word 'JULIA'. The letters are a uniform yellow color and are set against a large, solid yellow background that tapers to a point on the right side. The text has a slight shadow, giving it a three-dimensional appearance.
